VoIP-1 Wi-Fi Cordless Phone

Your extension, anywhere on the property.

The VoIP-1 is the cordless phone in the Cannon VoIP lineup, made for warehouses, shops, clinics, hotels and anyone who spends the day on their feet. It runs on your Wi-Fi, so it works anywhere you have coverage with no base station to install. HD audio with dual-microphone noise reduction, Bluetooth 5.0 for a wireless earpiece, and a removable battery with up to 13 hours of talk time. Charging base and belt clip come in the box.

Highlights

- Runs on your existing Wi-Fi (dual-band Wi-Fi 6), no base station
- Roams between access points without dropping the call
- 2.4-inch color screen with one-touch keys for coworkers
- HD audio with dual-microphone noise reduction for loud spaces
- 6-way audio conference calls
- Built-in Bluetooth 5.0 for a wireless earpiece
- Side push-to-talk button for one-touch intercom
- Removable battery: 13 hours of talk time, 10 days on standby
- Survives drops from 6 feet (1.8 m)
- Charges on the included desktop base or over USB-C
