VoIP-6 Business IP Phone

Three color screens. Built for busy desks.

The VoIP-6 is the top-of-the-line desk phone in the Cannon VoIP lineup, made for receptionists, managers and anyone who handles a lot of calls. A 4.3-inch color main screen and two 2.4-inch color side screens put your coworkers and speed dials one touch away. HD audio, Bluetooth and gigabit networking are built in, and a Wi-Fi dongle comes in the box.

Highlights

- 4.3-inch color main screen plus two 2.4-inch color side screens
- HD audio on the handset and speakerphone
- 6-way audio conference calls
- 5 line keys on the main display
- 12 one-touch keys on the side screens, up to 60 across 5 pages
- Built-in Bluetooth 4.2 for wireless headsets and your cell phone
- Wi-Fi dongle included for desks without a network jack
- Works with Poly and Jabra wireless headsets (EHS cable required)
- Dual gigabit ports with PoE: one cable powers the phone and connects your computer
- Desktop stand with two viewing angles (45° and 50°)
- Power supply included, packaged separately
